Subject: **VEYM App Release for Android Users; iOS VEYM App Updates**

Dearest Chaplains, Chaplain Assistants, Youth-Leader Trainers, Youth-Leaders, and youth members of all ranks:

On behalf of the National Executive Committee, I am happy to announce the launching of and immediate availability of our official “VEYM” app for Android users, now available free-of-charge at the Google Play Store. In addition, an updated version to the iOS VEYM app is also available at the Apple App Store.

Similar to the iOS version, the app offers our members with instance mobile access and easy to use application for all VEYM essentials. Key features include but not limited to the following:

1. VEYM News Feed
2. Living the Eucharistic Day (3 levels; select the appropriate level for self)
3. Weekly Scripture Lessons
4. VEYM Training Camps/Events
5. By-Law
6. Line-Formation Manual
7. VEYM Terminologies

Registered members can use the same VEYM online membership login information to access the app. While this is a working-in-progress effort, the IT Team will continue to streamline and update the app to meet our growing needs. For recommendations, questions or troubleshooting issues, please direct those to support@veym.net.

Through this collaborative effort between VEYM USA and VEYM Canada, it is our hope that the VEYM app will aid in networking and communication across members, more importantly, to motivate and encourage members to pray and to live the Eucharistic Day daily. I invite all Android and iPhone users of the VEYM to download the VEYM app and disseminate the information as wide as possible to all VEYM members.

Yours in the Eucharist.

Attested,

Rev. FX Nguyễn Thanh Bình, SVD
General Chaplain

On behalf of the National Executive Committee,
